

Detroit 2009 Million Father March

The Better Detroit Youth Movement is encouraging fathers, stepfathers, foster fathers, grandfathers, uncles, brothers, godfathers, cousins and other significant caregivers to take their child(ren) to the first day of school for the 2009-2010 school year.

When MEN are involved in the educational lives of their child(ren), school performance increases.

We encourage ALL MEN to make a year-long special commitment to:

- Improve their work and life skills
- Acquire more education for themselves and become a role model for their children and playmates
- Support their children financially, spiritually and emotionally
- Dedicate themselves to their family
- Build, clean and maintain their community
- And become entrepreneurs to develop economic resources
- Help improve the quality of life for our city and children.
